REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

By receiving the Carolina First Palmetto's Finest Award for the 2010-2011, Wren continues to be recognized as a school of excellence. This honor, as well as being named a Flagship School of Promise, a National Service Learning Leader School, and a Southern Regional Educational Board (SREB) High School That Works Pace Setter Site, demonstrates the commitment of the faculty, staff, and students to academic success.

The Wren High School Class of 2011 consisted of 335 graduates with 89 graduates being recognized as honor graduates. Fourteen graduates also received the prestigious Certificate of Mastery. Furthermore, graduating seniors qualified for the following: Hope Scholarship (31), Life Scholarship (162), South Carolina Academic Achievement Honors Award (16), Palmetto Fellows Scholarship (26). The Class of 2011 accumulated an estimated 1.4 million dollars in scholarship, and approximately 86% plan to pursue a course of postsecondary education.

Wren High School's teaching staff provides a rigorous course of study for students. Effective teaching strategies coupled with extensive tutoring enhance the academic success of all students. Classes in test-taking skills help to prepare students for the High School Assessment Program (HSAP) and for the End of Course tests. Wren's overall test scores indicate the success of these strategies. Also, the Preliminary Scholastic Aptitudes Test (PSAT) is given to sophomores and juniors, enabling these students to identify areas of strength and weakness.

Implemented during the 2002-2003 school year, the Freshman Academy (FA) provides a successful transition for students entering high school. During the 2010-2011 school year, 94% of the Freshman Class passed to the tenth grade. The smaller learning environment of the FA helps to improve academic achievement by enabling students to know their teachers as well as to encourage students to become involved in student activities.

The School Improvement Council (SIC) evaluates and approves goals for the School Improvement Plan. This council indicated that Wren is making progress towards meeting the goals listed for the 2015 Southern Association of Colleges and Schools (SACS) Action Plan. The improvement goals include the following: 90% graduation rate in consecutive years or an average of 88 % over 5 years; increase enrollment of students in Advance Placement (AP) and Dual Credit courses; an average SAT/ACT score of 1060/ 23.3 while maintaining or increasing the number of students taking the test(s); 80% passage rate for all students in all subjects on the End of Course tests; improved staff development with a clear focus. G. Robert Binnicker, Principal and Angela Morris, Chair SIC
